SECRET

STAR GATE

3/14/95

Congressionally Directed Action:

- DCI must construct retrospective review and *“technical analysis”* addressing 20 year period
 - Inventory and analyze files at CIA and DIA
 - Weigh compliance with Congressional direction
- The *“DCI’s declassification committee”* must review program history and nature to determine which parts can be an *“open-world activity”*
- DIA Director should *“establish open-world, declassified, cooperative activity”* between US and Russian programs
